

EDUCATION

Nov 2017	TreeHouse
Nov 2018	Front-End Development Track UX Design Track Web Design Track
Jun 2018	Udemy
Nov 2018	Full-stack Development UX Design
Nov 2018	freeCodeCamp
Present	Responsive Web Design Certification JavaScript Algorithms & Data Structures Certification Front End Libraries Certification
Mar 2019	Bloc
Present	UX/UX Apprenticeship Worked on many projects while learning the design process, by conducting surveys, competitive analysis, user stories, style guides, preference testing, wireframing, mockups, and building coded prototypes.

EXPERIENCE

Jan 2009	United States Marine Corps
Dec 2012	Sergeant As the NCOIC(Non-Commissioned Officer In Charge) of the 11th Mar. Reg. Field Mess I had to come up with solutions and ways to improve sanitation and food quality, and coordinating tasks to Sergeants and below while in garrison or on deployments.

PROJECTS

Mikumo
Cloud Storage App(Apprenticeship)
Clients asked for a more visually detailed cloud service compared to other competitors to attract more people of different technical backgrounds. With this in mind, I made an attractive layout, and eliminated any links that were repetitive in the platform.

AWARDS

Navy & Marine Corps Achievement medal
Good Conduct Medal
National Defense Medal
Afghanistan Campaign Medal(1 Bronze Star)
Global War on Terrorism Medal
Sea Service Ribbon
NATO Medal
